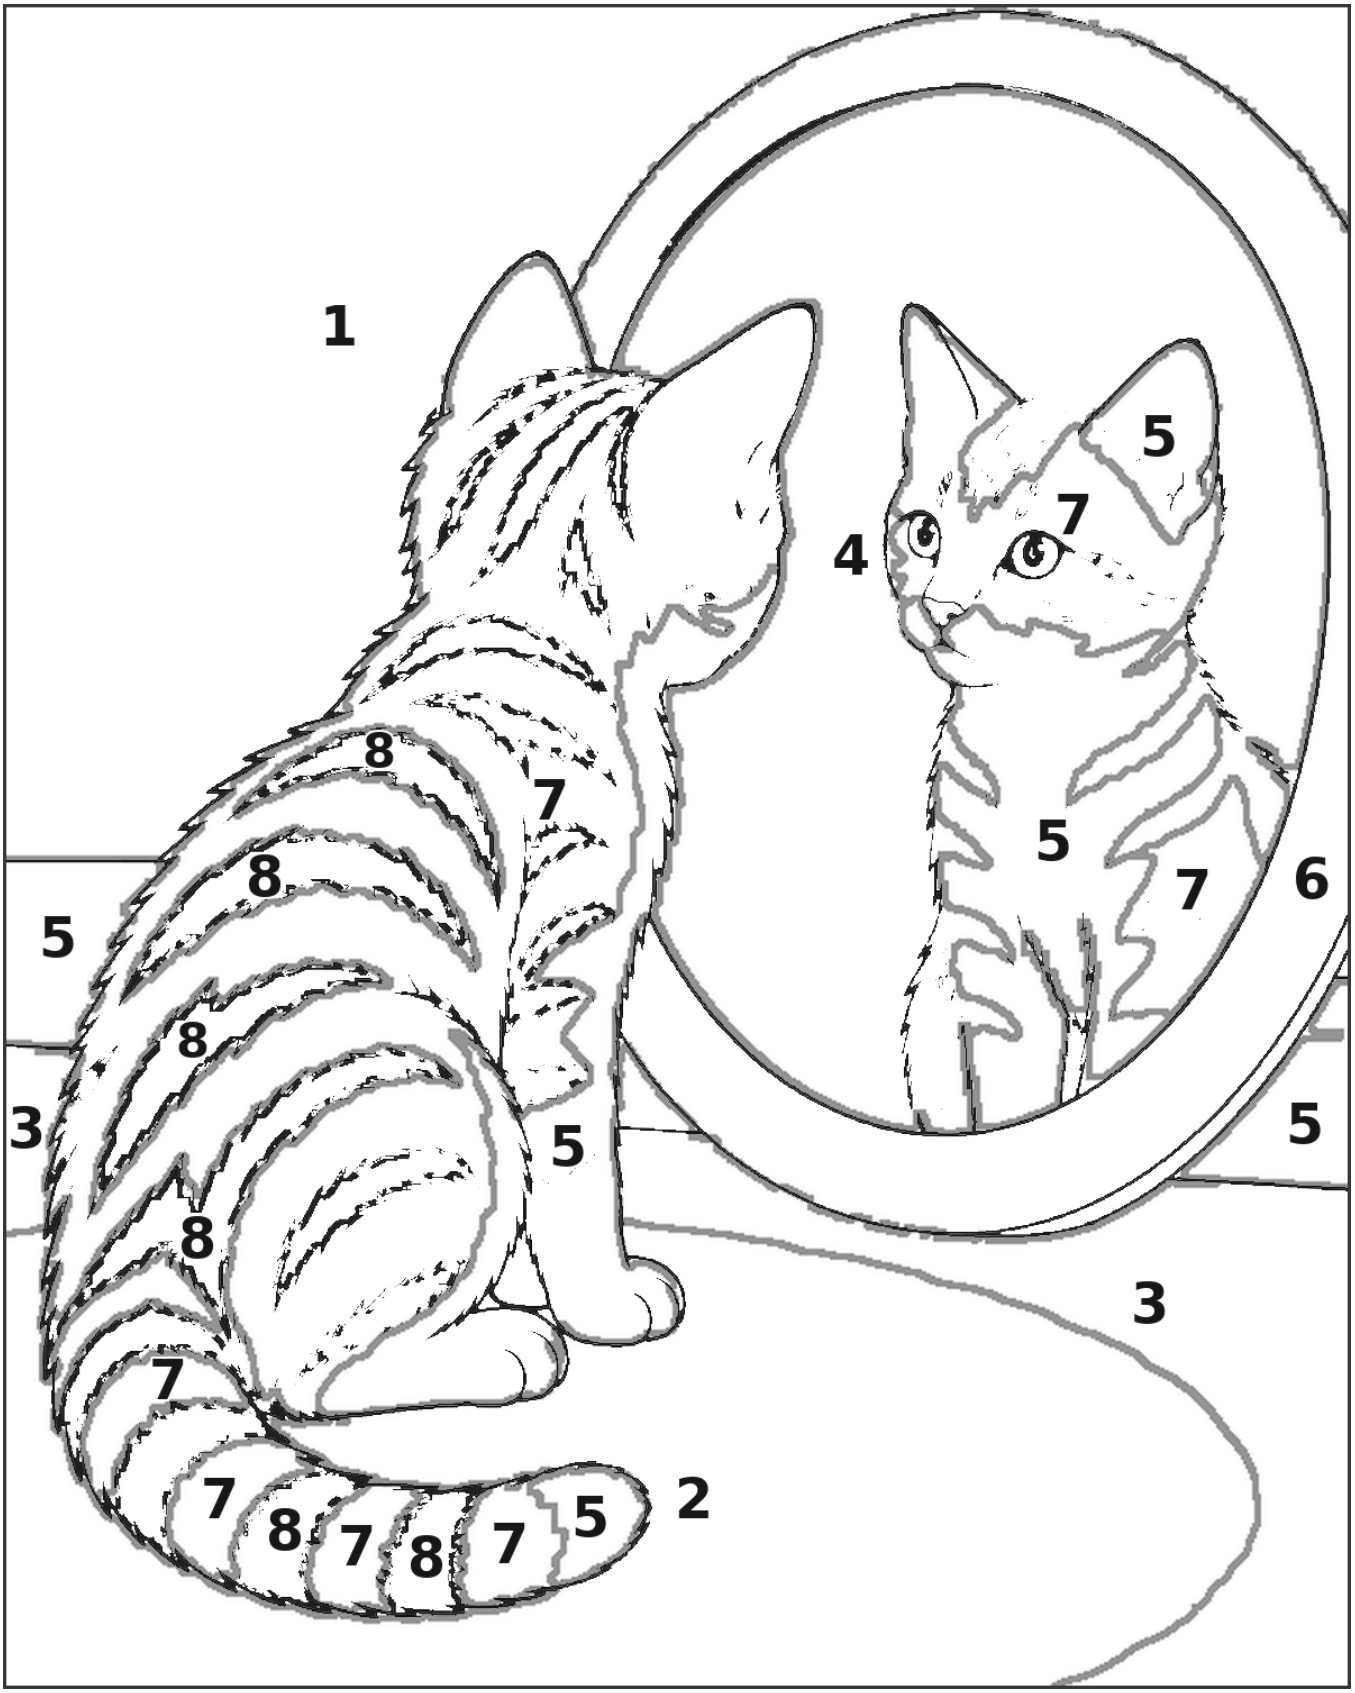
Kitten and Mirror

Can a cat recognize you without seeing you?



1 Moss
2 Mauve
3 Apricot
4 Lagoon
5 Cream
6 Gold
7 Ash
8 Charcoal

Did you know? A mirror gives a cat an image. A voice can give the cat a different clue. In an experiment, cats heard recordings while their people were out of view. They responded more strongly to their person's voice than to a stranger's, often moving their ears or head.
