Great White Pelican

What does a pelican scoop up in its bill pouch?

1 Parchment	**2 Denim**	**3 Pine**
4 Walnut	**5 Mauve**	**6 Sky**
7 Apricot	**8 Moss**	**9 Gold**

Did you know? A pelican scoops up fish and water together. It lets the water drain out before swallowing the fish. Great white pelicans can also fish as a group, herding fish into shallow water.
