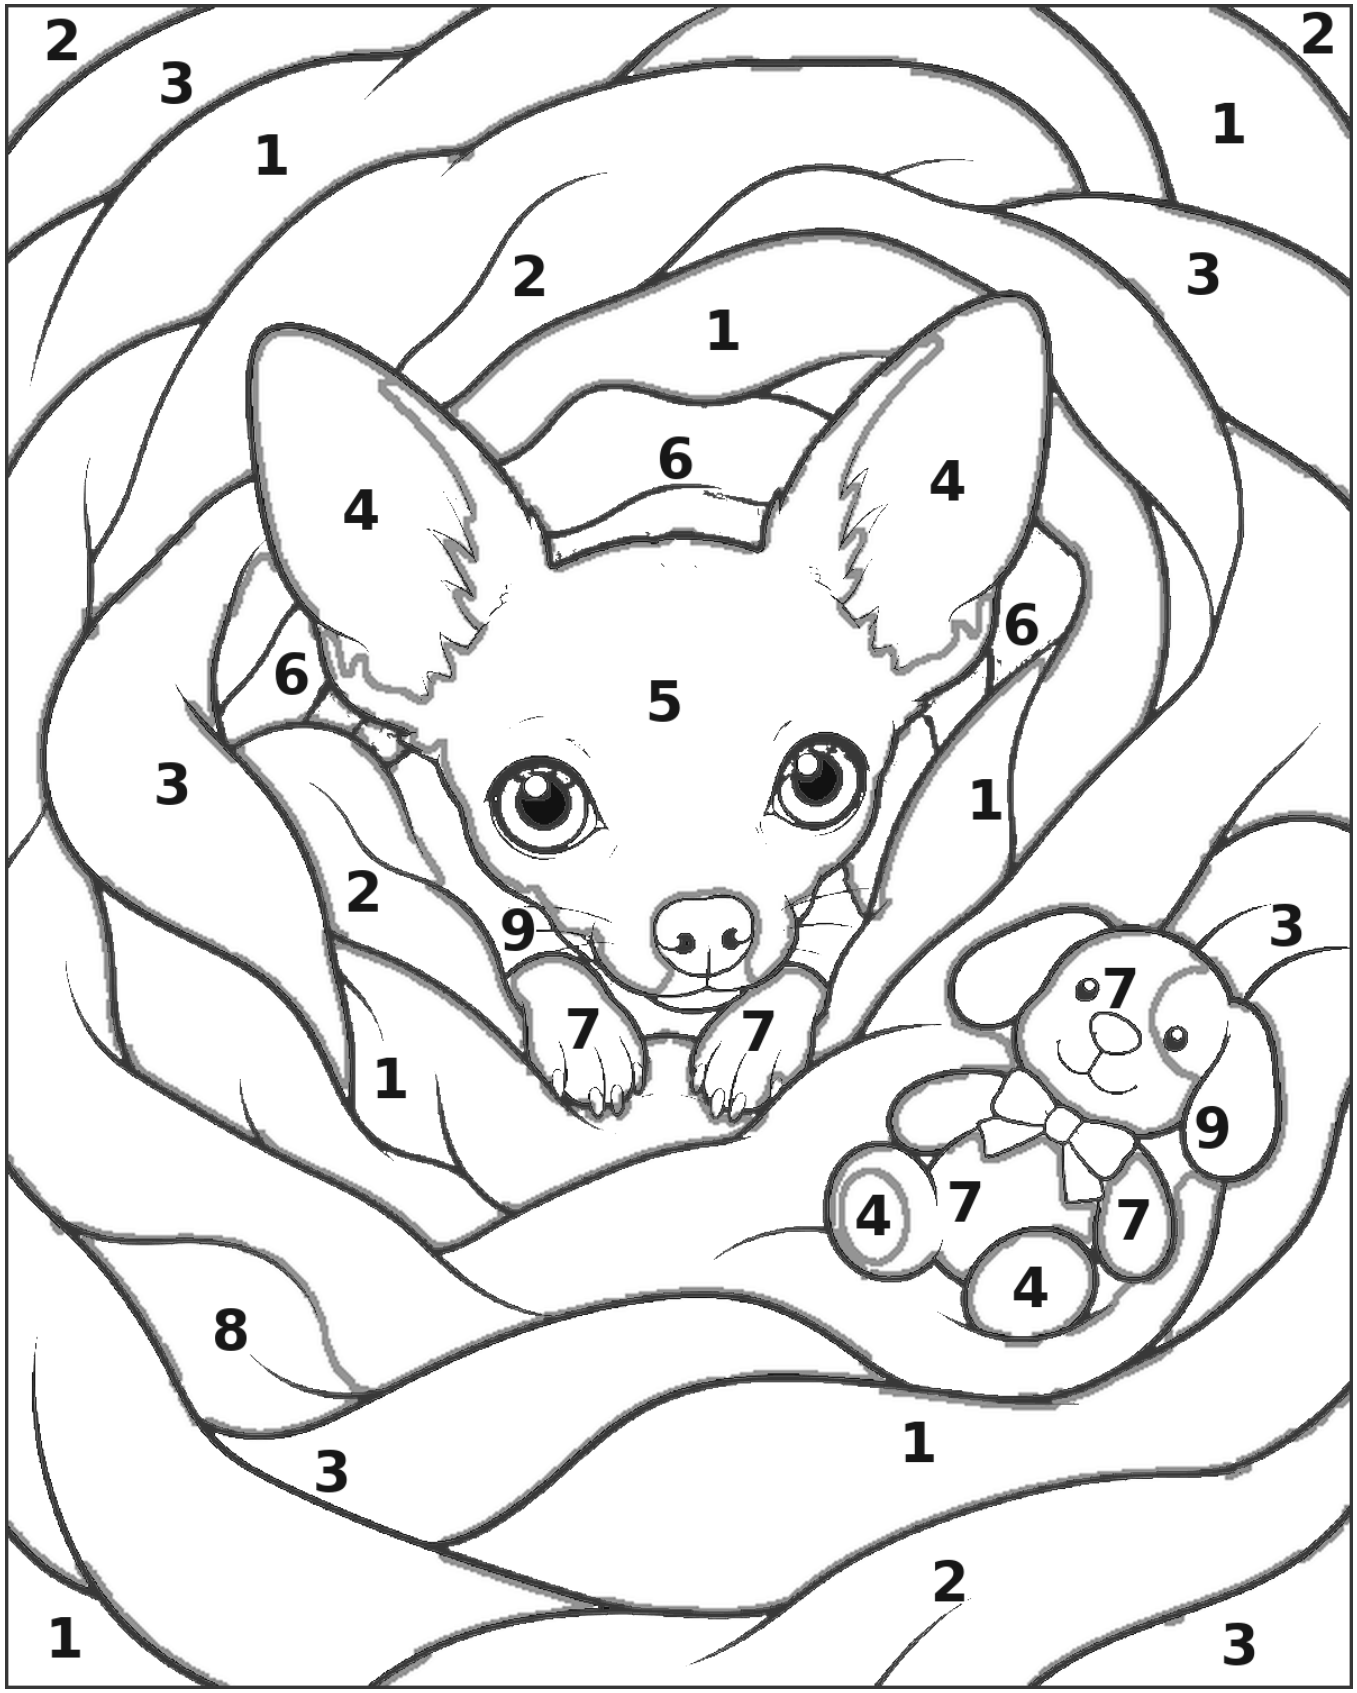
Chihuahua Blanket Nest

Why does a dog paw at a blanket before lying down?



1 Teal	**2 Honey**	**3 Lagoon**
4 Apricot	**5 Butter**	**6 Ink blue**
7 Cream	**8 Gold**	**9 Copper**

Did you know? Some dogs turn, paw or rearrange their bedding before they settle. Pushing cloth around can build a soft nest. Watch how much this little Chihuahua has moved the folds of the blanket.
