Feathered Serpent

Where did the idea of a feathered serpent appear?

1 Lagoon	**2 Stone**	**3 Ash**
4 Moss	**5 Gold**	**6 Sky**
7 Rust	**8 Parchment**	**9 Teal**

Did you know? Mesoamerican artists depicted serpents with feathers. In Mexica tradition, the name Quetzalcoatl brings together the quetzal bird and the serpent. Look for the long curves of a snake and the repeated shapes of feathers in this drawing.
