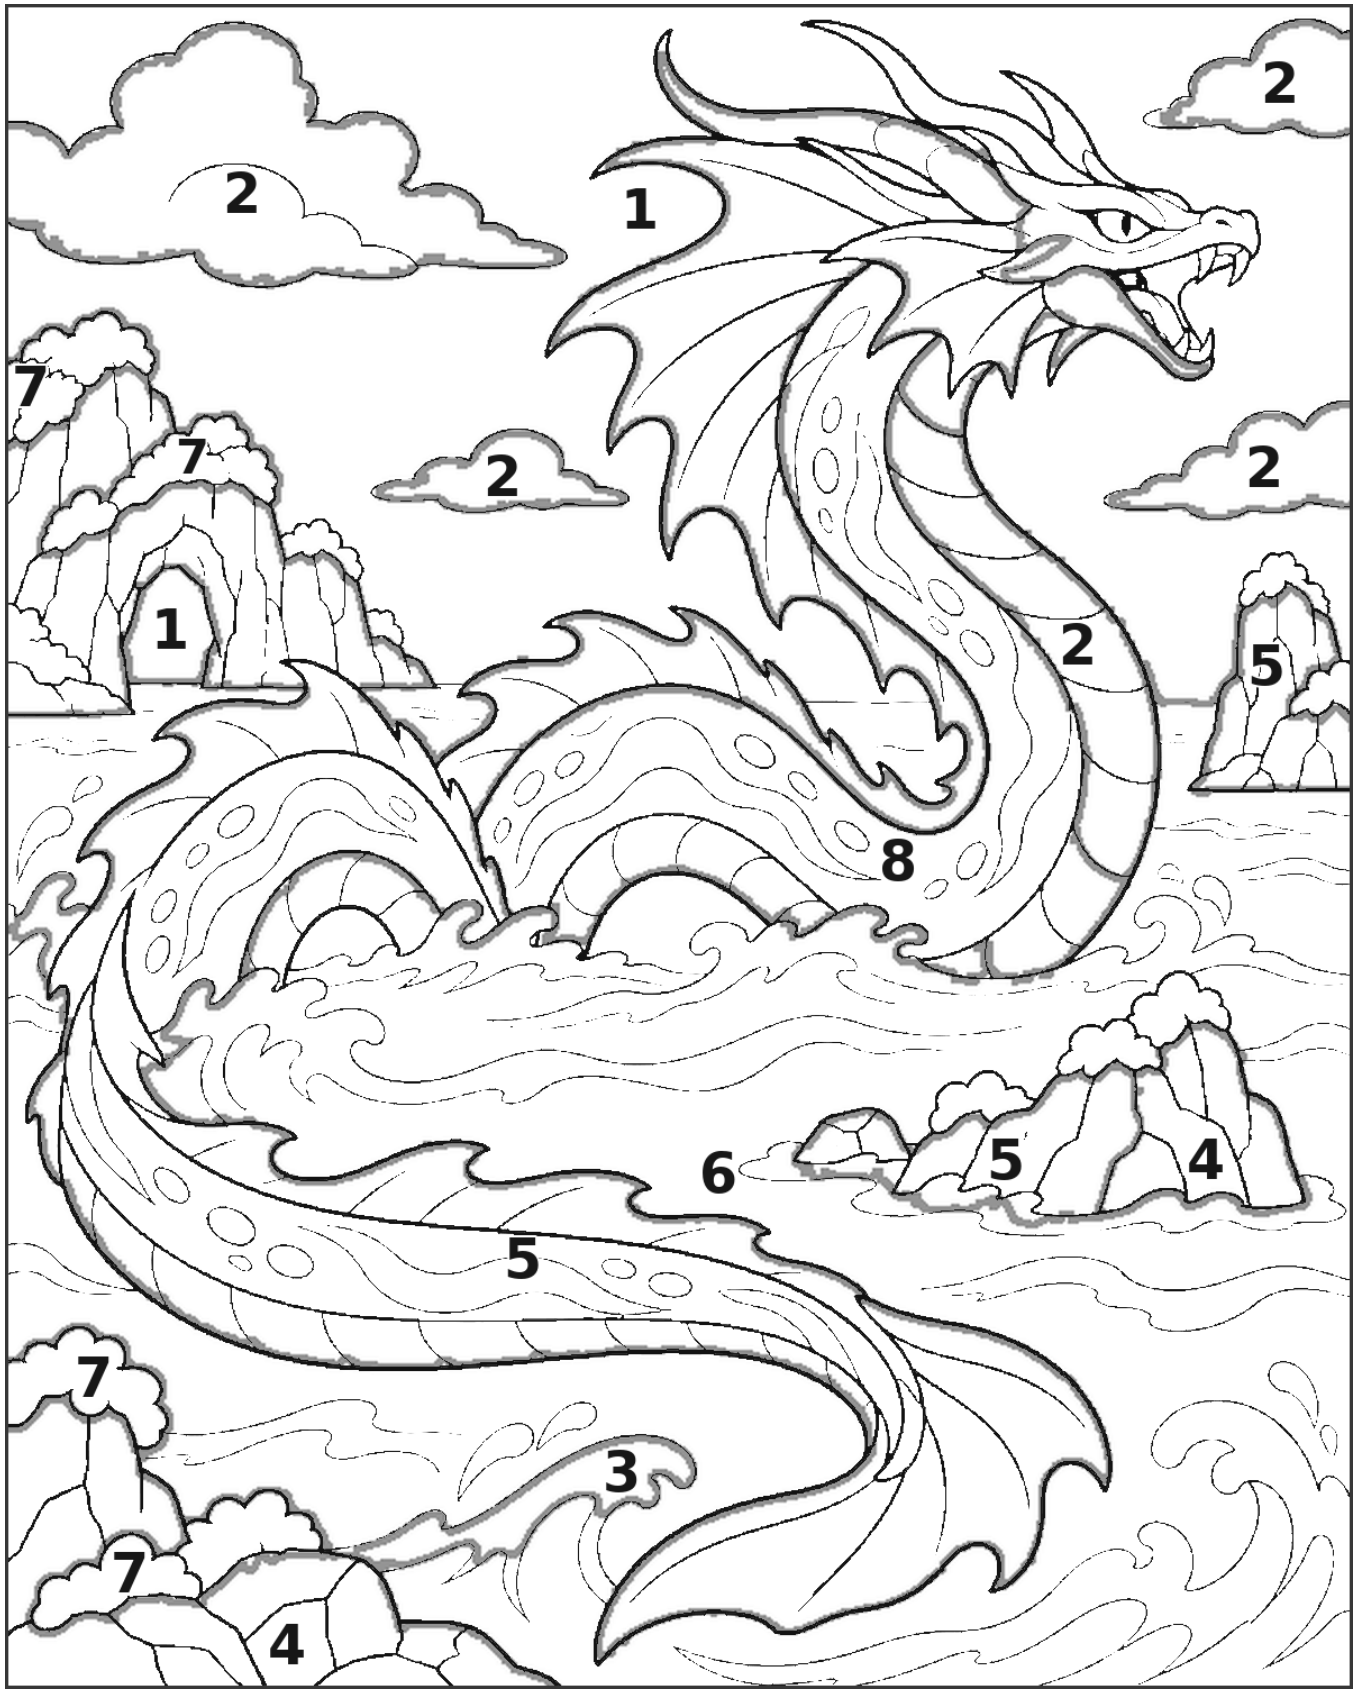
Open-Sea Serpent

How do waves help a sea serpent hide?



1 Lagoon
2 Parchment
3 Ivory
4 Plum
5 Apricot
6 Denim
7 Moss
8 Teal

Did you know? A long creature can seem to vanish when waves rise between its body and a sailor watching from a boat. Stories can turn a short glimpse into a giant sea serpent. Which curves in the picture belong to the waves and which belong to the serpent?
