Basilisk in Ruins

Why might a monster have a rooster's head?

1 Sky	**2 Parchment**	**3 Lilac**
4 Sage	**5 Berry**	**6 Rust**
7 Gold	**8 Moss**	**9 Ash**

Did you know? Medieval artists sometimes drew the basilisk or cockatrice with parts of a rooster and a reptile. With a comb above the head and a trailing tail, this mixed creature is easy to spot. Find one part borrowed from each animal.
